

TASTE TEST

Just like Billy ate fried worms with different condiments, you're going to try string cheese with different condiments! Try string cheese with mustard, chocolate syrup, ketchup, BBQ sauce, and ranch. Rate the test on a scale of 1-10 (1 being disgusting and 10 being really good). Once you have tasted the condiments with string cheese and rated them, write a summary of the taste test you took.

Condiment:

Rating:

Mustard

Chocolate Syrup

Ketchup

BBQ Sauce

Ranch
